Frequently Asked Questions

If I am still a student, can I apply?

We mainly hire writers who have already obtained the minimum of a bachelor's degree. However, if you are currently studying, you may upload your most recent official transcripts or a photo of your current student ID into Diploma section and we will consider your application.

What subjects do you have?

We offer a wide range of disciplines including English, Business, Literature, Management, Medicine, Art&Architecture, Theater Studies, Homeland Security, Technology, Marketing etc. Moreover, you are welcome to complete Maths problems solving tasks, work on Engineering, Programming, Computer Science assignments. We do have some projects in German and Polish.

How much can I earn? What are the payment rates?

Our writers can earn up to \$15 per page, order price depends on different factors such as complexity, deadline, number of pages/slides/problems etc. Our writers can choose among 3 payment methods to withdraw money: PayPal, Payoneer, Webmoney.

How can I verify my e-mail if there is no code?

Please double check the auto e-mail from our website. There should be a blue word [LINK](#), please click there and you will be transferred to the website.

Duplicate e-mail/phone number. What to do?

This notification means you have already tried to register at the website. You are welcome to contact our Support Team if you face these issues.

What if my diploma is issued in another language, not English?

We would appreciate your sending us a photo of your diploma and its English translation (if issued in your native language only). You may translate your certificates on your own or upload a certified translation if you have one.

Do I need to relocate? Can I work part time?

We are working on freelance basis and all our writers are welcome to choose the amount of orders they want to work on; the schedule is flexible, you may work from home, cafe, library or any other place. There is no need to relocate or spend hours in the office.

Will my application be reviewed
if I have scored less than 9/15 for Grammar Test?

Yes, your application will be checked by our Writer Manager. If the result is not satisfactory, you will be asked to re-take the test.

Why do I need these tests on formatting? Can I skip them?

Academic papers require special formatting, thus all the writers should be aware of them. We provide writing tips and useful materials to learn more about 4 main styles. Therefore, these tests have educational purpose and cannot be skipped

Can I re-take the writing prompt test?

In case you have faced any technical glitches and you haven't managed to submit the prompt, you are welcome to contact us via the e-mail support@wizardwriters.com

Is Proficiency Test time limited?

You have 20 minutes to pass the Grammar Test, 15 minutes for the Writing Prompt; Plagiarism Quiz and tests on formatting styles do not have time limits.

★ Get It Right ★

- **Terms of Use** - agreement between the Company and the Writer
- **Support Team** - agents who are working 24/7 to help you with all the questions
- **The order** - paper = assignment = project = case
- **Scholarly/Academic sources** - Publications written by experts in a particular field of study (Wikipedia is not considered to be an academic source). All the sources should be in ENGLISH.
- **Plagiarism** - using another person's words or ideas as your own without giving credit to the source (author).
- **Formatting style** - a standardized approach to creating an academic paper. Formatting style includes things like where the paper's title and author's name will go, the spacing between lines, and how sources are cited in-text, among other things.
- **Page** - one double spaced page contains at least 275 words, one single spaced - 550 words.
- **Adviser** - person who helps newcomers during their first 2 months of work
